Beth (Lou)
How's it going?
I can't believe
that this year is
almost over - can you
Lou - who I made a rhyme
Beth, I don't want you to cheat
off me in Algebra II! Here's some
advice

1) don't lie or cheat
2) don't sleep with gum you don't know
3) don't steal or fall off rollercoasters
4) don't stand on street corners
5) don't dye your teeth or braid your eyelashes
6) Always Always stay cool

Becky (Lou)

Beth
I am glad we had a
study hall together so
we could talk about old
times. Maybe the old times
will change - I told Mr Berry
you are going to do indoor
track next year. Have
a Great Summer and I hope
to see you.

Love always
David

Beth Laurence

Yours truly

I don't know
what I'll do
without you
next year
Summer is not
for another 180
days

Beth,

We've made it thru another year (thank God!) We should have a pretty good time at the prom and afterwards. Have a good summer and don't do anything too wild. Take care and I'll see ya later!

Love

KIM (the flake)

Beth,

What can I say? We didn't have any classes together so I can't say, "We had so much fun in..." Maybe next year we'll have some classes together & we can raise a lot of... Then again, maybe not. We're going to be super in soccer next year. After this years record, we have to do good. Besides the coach from Howard will owe me a Mega Big Mac if we beat them. Have a great summer. Let's get a lot of people to go on a bike ride. Have a great life.

Love,

Patty

Beth,
well were almost there. It's hard to believe we've gotten this far. We never got to party like we did last year, like during basketball season. That was fun. But I'm sure I'll see you at parties. If you not doing anything someday call me up and we'll do something and behave yourself this summer.

Love always
Bonnie

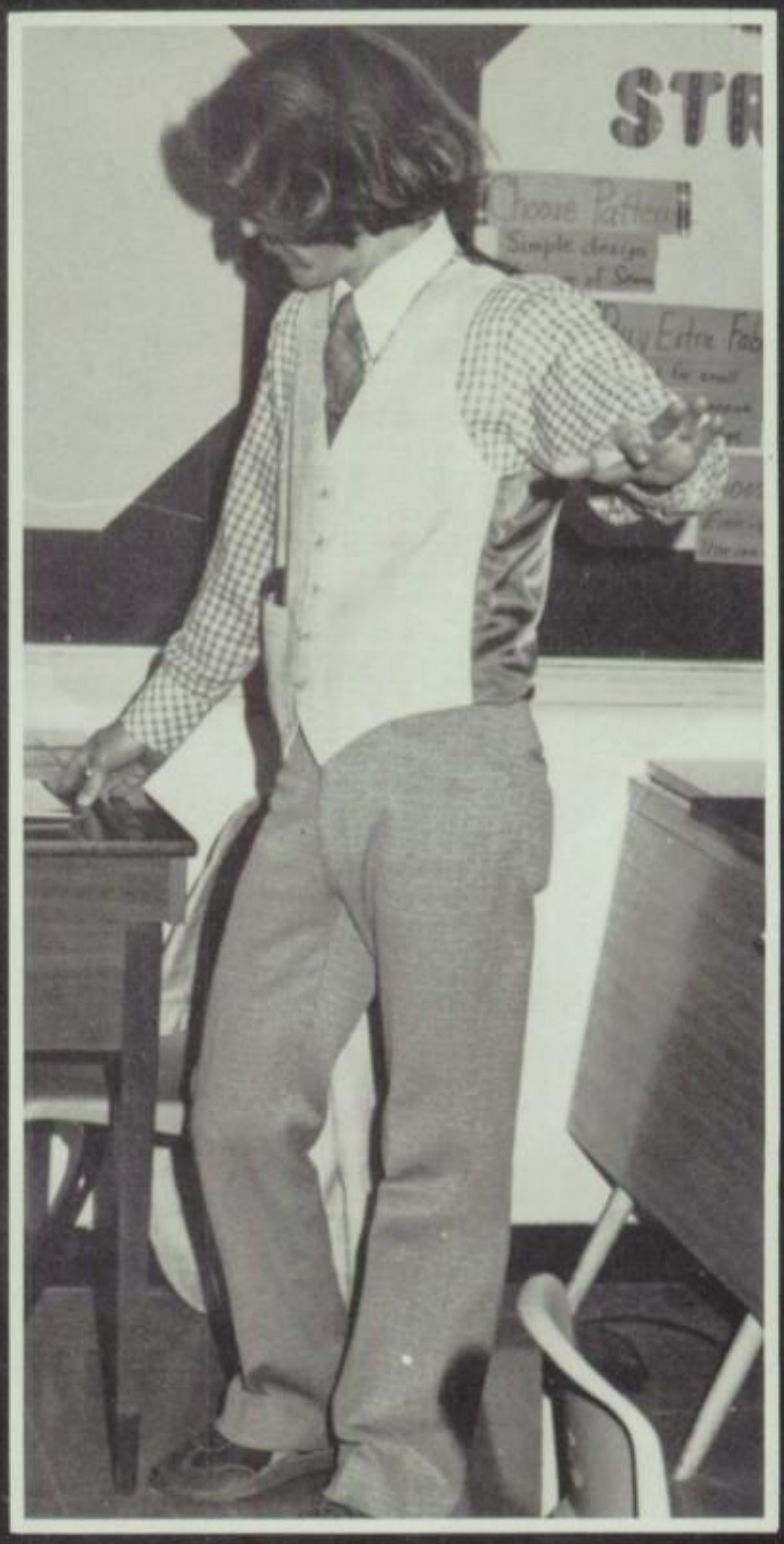
DEDICATION

MR. DAVID JACKSON

The graduating class of 1981 is proud to dedicate this yearbook to Mr. Jackson. He has been a good friend and caring teacher above and beyond the call of duty. At nearly any school function one attends- there he is- more often than not, accompanied by at least one member of his family. He is the advisor of the chess team, acted in this year's fall play, and enthusiastically teaches English. Through this dedication we would like to express our appreciation and admiration to him for this support.



Many thanks to Mrs. Jackson and Mrs. Dowling for their help with this dedication.

Strandin, M. Morneault.

The International Club is one of the more active clubs at Hampden Academy. The club has many money raising projects during the year, many of which involve the public. The money raised is put towards scholarships for outgoing exchange students.

The club also provides a way for the foreign exchange students to participate and enjoy community activities.

Each April the club invites the foreign exchange students who live in Maine to come to Hampden for a weekend of planned activities.

You're such a sweet baby sister. I don't know what I'd do without you. You've got a fantastic personality, so don't ever change. Your smile is dynamic. You add pizazz & spunk to everything you come up upon. This summer we will have to get together and do many wild & crazy stunts. Take care and keep your sunny smile shining! Much love and happiness.

Love always,

From the Student Council

Beth,
This year has been kind of weird. We hardly talked at the beggining of the year but look at us now. Most of the year has been pretty dull but it's not as sad now as it was at the beggining. Since we didn't get to BAR HARBOR yet we'll have to do it soon. A lot. I don't have much else to say so I'll sign off now. Let's hope this summer is a good one. Have fun in the Sun, stay out of trouble. Don't change cause I think your pretty special the way you are.
Love,
Scott

Bessie Lou,

Its been a long hard year! But its finally going to end. and then we'll be free all summer! I hope that you don't get too wrapped up with the boys this summer that you forget to call old Ang up and say Howdy. Because I think that you are almost (ha) the best person I know on the earth! (maybe next to me of course). This summer I think we'll have to go to some softball games and check thungs out. And if we a possibly lucky enough to get a driver's license (I'm not sure they'll give one to you) we can go to Bar Harbor and stuff! I hope we have some classes together next year, but its a good thing there will be no more French or Geometry. Well thats all I can babble on about for now. so I'll sigh off.

Love ya Always

Louise,

Well this year has been ok... not great, not bad. We've had our ups and downs and I guess everything turned out for the best We've been pretty good friends for a long time now and I want you to know that I hope we're always friends in the future. Pardon me if I was "quite the nag" in biology lab but you know it was always your fault. And we've had our "little" fights but more often than not it was my fault. But that's what makes the year different huh? I'm sure we'll get together this summer because I still owe you a rack of Mich. from your birthday. We'll celebrate a lot this summer + go to the beach when I have my license. Good luck with Scott M and Bill and whoever else. See you

Beth,
Well we've only got two years to go! It's been really fun knowing you. You're a really nice kid. Stay that way. Have a nice summer and I'll see you next year as a junior (nope bull!)

Love Mike

Beth,
Mike is heartbroken because you couldn't go to the prom with him. (too bad) You shouldn't torture him like that! This has been a really fun study hall between you, Karen, and Angie giving Mike a hard time. The only problem is that I can never get any work done. I have fun at the prom and this summer. I'll miss you (HAHA.)

Love
Toby

Beth,
I am really glad we had some classes together this year so we've got to know each other a little better. You are a really great kid and you have a lot going for you. Good luck in the future! Hope to see you this summer, if not then I'll see you next years.

Love,
Sharon.

Beth,
Have a good summer. Hope you have a lot of fun. Don't do anything I wouldn't do and as much as you can do.

Love,
Angie
